Dear Sir,

## Cerenkov Counter Jacket.

With reference to the visit of our representative Mr. Black it is understood that you require an approximate estimate of producing a vessel similar to that supplied to CERN.

Without commitment and for your information only we would advise you that this approximate price would be between £6,500 and £7,000.

We trust that in due course when your particular requirements are finalised we may be given an opportunity of submitting a tender for equipment of this nature.

We have the honour to be,  
Sir,  
Your obedient servants,  
For Vickers-Armstrongs (Acft) Ltd.

E. R. WOOD  
Contracts Officer.
