Mr. H. Harris. R20

CERTIFIED THAT THE
QUANTITY RECEIVED AND
APPROVED IS AS SHOWN AND
IN GOOD CONDITION

Mr. D J Hellen who retired on Tuesday 31 July receives parting gifts of a portable radio and a wheel glove for his car from Mr L J Wyatt, Head of General Administration. Mr Wyatt in presenting the gifts subscribed by friends and colleagues said it was sad to see so many old friends of the Laboratory departing, however he wished Mr Hellen a long and happy retirement.

Jack Hellen, ex RAF and manager of a grocery store for some 30 years, came to the Laboratory 12 years ago. He has always worked in the Stores Section, first in RI2, then RI, back to RI2 as a Supervisor and finally to R56 where for the past 4 - 5 years he has been concerned with Receipts and Despatches. In this last job in particular, he must have dealt with practically everyone at the Laboratory. Most definitely a member of the old school, his courtesy and politeness will long be remembered.

We would like to join with his many friends in wishing Jack a long and happy retirement.

ALEXANDRA ROSE DAY 1973

Mrs Hilda Salmon, the site organiser for the Alexandra Rose Day, has written to express her thanks for the efforts of collectors and contributors for this Charity. The total amount collected on the Chilton site was £156.35½p. This is a record amount being £4 more than last year.
